Letter from the Owner

Dear members,

As we head into the beautiful spring, we all should reflect on how fortunate we are to be a part of such an amazing community. It shows every day with well-attended events and increased activities (golf rounds, F&B covers, memberships and room rentals). We have a robust schedule of events for the spring that includes Easter Brunch, a performance from Paladin Productions, Callaway demo day, wine dinners and much more.

As the warmer weather arrives, come out to Houndslake Country Club more and experience all that we have to offer. One of our highlights during April will be our Easter brunch. Holiday buffets are some of the club's most popular events. What's not to love? Delicious food, good service and no stress of preparation and cleanup. Let us help you celebrate the most special holiday (as far as I'm concerned) and enjoy your entire family with ease. We will fill up, so be sure you make reservations early.

We are honored to have such a wonderful home away from home with supporting members and a team of employees dedicated to the success of the club. So many people have volunteered their time and efforts to help the club that it is impossible to recognize everyone. I would like to single out one in particular though - Mrs. Lauretta Book. She has contributed and improved the club in so many ways (painting, flooring, pressure washing, landscaping, interior design work and much more).

Continued on PAGE 2

Continued from PAGE 1

She is an amazing woman, and words cannot express the amount of appreciation that she deserves.

I am pleased to report that we are receiving more calls for weddings/banquets than we have in many years. I hope that you will look at the clubhouse and see for yourself all of the improvements and help us spread the word that Houndslake Country Club is on the rise.

On a personal note, I am thrilled with the progress of the clubhouse renovation. It is a great testament to what good teamwork can accomplish. Because of the many contributions of others, facility improvements and increased activities, I am more motivated than ever to strive for excellence.

Thank you again for all of your support and exploring the newsletter. Don't miss out on all of the happenings at the club.

Sincerely,

Daniel Seawell

Answer: Jack Nicklaus

TEE TALK

Rule of Thirds

It is common for golfers to spend too much of their practice time on the driving range and not enough time on their short game. Full swing practice can certainly help but don't neglect the other games within our game. For most golfers, 65% of their score comes from the short game. Challenge yourself to balance your practice routine and focus on working on all parts of your game continually and equally. A great routine is to practice in thirds. The first third should be putting. The second third should be spent hitting a variety of shots around the green. The last third should be ball striking on the driving range. Following this routine will help create consistency in all areas of your game which will result in shooting lower scores.

GARDEN CLUB NEWS

Terrarium Tips

The Houndslake Garden Club held their meeting on March 18, 2022. Our program was Making a Terrarium presented by Cheryl Wren. She started her presentation by handing out sheets telling how to make a terrarium, and the things to avoid doing. She made a beautiful terrarium, from putting rocks in the bottom of the glass container to placing the plants and decorative items. Along the way, she showed us some of the tools to have, how they were used, and where we could purchase them.

Our next meeting will be held on April 15, 2022 at the Houndslake Country Club at 10:30 am. Our program will be A Giant Pumpkin and Other Tales given by Tiaguana Cochnaur.
