## TEE TALK

# The Lie of the Land

How do you play uphill or downhill lies?

It is only natural that when faced with a shot from an uphill lie to lean left (right handed golfers) into the slope of the hill for balance. When you have a downhill lie, you tend to lean against the slope.

The next time you have these kinds of lies, try this. Make sure your shoulders are tilted the same as the slope. For example, for uphill lies your shoulders will be tilted more than normal, and for downhill lies, less than normal.

## GARDEN CLUB NEWS

# Succulent Savvy

On February 18, 2022, the Houndslake Garden Club took a field trip to Grass Roots Yard Supply, located at 111 Holly Meadows Drive in Graniteville. There we learned how to take care of and propagate succulents. We met in the greenhouse which was loaded with a variety of plants. We were given a lot of useful information, and were able to ask questions about other plants.

Our next meeting is on March 18, 2022, and it will be held at the Houndslake Country Club at 10:30 am. The program will be Making a terrarium.
