Hal Peck

Houndslake resident and member, Hal Peck, 99, who served in Europe during World War II, was presented the French Legion of Honor at Houndslake Country Club on Oct. 18.

Beck served in the Army in the 226th Signal Corps and his introduction to France came by way of Liverpool, in northwestern England. He was drafted in the spring of 1943 and arrived at Normandy on June 17, 1944, 11 days after D-Day, with the area having been secured.

Peck, as a member of the Signal Corps, was a “climber,” responsible for going up and down telephone poles to help keep the lines of communication intact. He confirmed that he did not carry a rifle while on pole duty, as he would have been a sitting duck for a sniper if he had been perceived as a threat.

Less than a year after being deployed, Peck was back in the U.S., where we went on to play basketball at Tulane. He and his Tulane sweetheart, the former Gwen Bailie, tied the knot in 1949, kept it tied for 60-plus years and eventually travelled much of the world together.

Goshen, Indiana, wound up as their home base until they retired to Aiken in 1992. They were together until her death in 2010, following years of struggling with Alzheimer’s disease.

The French Legion of Honor was created by Napoleon Bonaparte in 1802 to reward “eminent military and civil merits in the service of France,” according to the Consulate General of France in Los Angeles. “It is the highest distinction that can be conferred in France on a French citizen as well as on a foreigner.” Thomas Edison and Alexander Graham Bell are among the prominent Americans to receive the honor.

ROOF CONSTRUCTION

Beginning Soon!

We are very pleased to inform the Membership that Houndslake Country Club will begin the process of replacing the roof over the main part of the upstairs, including the kitchen. The process should start the week of November 7th, 2022. This is a very extensive process and will take approximately two to three weeks to complete, weather permitting.

The job involves disconnecting HVAC units, exhaust systems and freezer compressors used in the upstairs. Upon disconnection, the units will be removed from the roof by crane. The roof will be removed, repaired and replaced before returning said units to the new roof.

I think we can expect such a LARGE undertaking to impact some aspects of our Club Services. Please expect equipment, materials and extra workers to be present during this time. We ask that extreme care be given when moving about the club. We do expect this repair to impact Dining services in particular as most of the work is directly over the kitchen.

Follow our progress on the website's membership login page and through our eblasts. Weather permitting, we expect work to take two weeks (Nov. 7th - 21st), and the kitchen might close during this time. We will keep membership updated.

Thank you all in advance for your Grace and Patience as we invest in the growth of Houndslake Country Club!

Very Best Regards,

HCC Management and The Seawell Family

NEWS FROM THE NET FACILITY

Fall Schedule

The Houndslake NET Facility has six (6) pickleball courts and two (2) clay tennis courts available for play daily for members and non-members. Non-NET members pay \$5 for court usage. The NET Facility also has a shelter building, a drinking fountain, and a NET building with men's and women's locker rooms. The problem is getting enough players together at the same time to play. To resolve that problem, we are proposing the following Fall Schedule:

Mondays: Tennis Court #3 is reserved weekly by a group of 4-6 players. Casual Round Robin play; new players are welcome. If 8 or more players show up, play would expand onto Tennis Court #4. Contact Phoebe Marshall at 803-649-9148.

Tuesdays: 8-10:00+ a.m.: Start a new group for pickleball play. Open to all pickleball players. Emphasis on social and round robin play. Contact: Richard Funkhouser at r.funkhouser47@gmail.com.

Thursdays: 8-10:00+ a.m.: Start a new group for pickleball play. Open to all pickleball players. Emphasis on social and round robin play. Contact: Richard Funkhouser at r.funkhouser47@gmail.com.

Fridays: 9-11+ a.m.: Tennis Court #3 is reserved weekly by a group of 4-6 players. Casual Round Robin play; new players are welcome. If 8 or more players show up, play would expand onto Tennis Court #4. Contact Phoebe Marshall at 803-649-9148.

Saturdays: 8-10+ a.m. Start a new group for pickleball play. Open to all players. Emphasis on early risers (players who only have the weekend available for play, families, exercisers). May consider a continental breakfast menu for purchase. Contact: Jerry Clements at jacgolfer@live.com.

We invite you to come and join the pickleball and/or tennis play at the Houndslake NET Facility. There are "loaner" pickleball paddles and balls available if you are new to the game and want to try it out.
