NEIGHBORHOOD NEWS

The Houndslake Neighborhood Association would like to say thank you to all Houndslake residents that attended the Spring General Meeting in March! And a huge THANK YOU to all HNA members, we appreciate your continued support! We enjoyed a delicious spaghetti dinner and cash bar at the meeting and discussed the recent HNA business. Please join us at our Fall General Meeting in September.

Saturday, April 22ND is Earth Day! Do your part to help keep our Earth and neighborhood clean!

Pick up after your pets! Did you know pet waste can contaminate nearby water sources? When it rains, pet waste can be carried into storm drains and eventually into our waterways. This can make waterways unsuitable for swimming, boating, fishing and can lead to contamination of drinking water sources.

Help keep all 3 of our Houndslake lakes clean, be sure to pick up any litter and fishing equipment around the lakes. These pose a hazard to wildlife at the lakes such as turtles, birds, and fish.

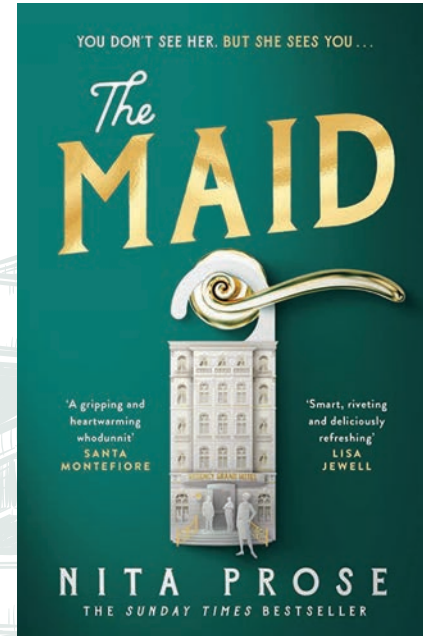

Dispose of litter properly!

We all want our neighborhood to look pretty!

GARDEN CLUB

The Houndslake Garden Club held its March 17, 2023 meeting at Grass Roots Nursery in Graniteville. The meeting was held after the members enjoyed looking around and shopping. Our next meeting will be held at the country club in the Azalea Room at 10:30 am on April 21, 2023. We will have a speaker from the Butterfly Society, and Blooms by Grace with her antique truck filled with flowers will also be there. On June 16, 2023, the Garden Club will visit King George Lavender Farm and Mercantile in Barnwell. The visit will include a tour, talk, and lavender craft. The tour will cost \$10.00 per person. Lunch will be available. The lunch menu will appear in next month's newsletter and must be paid by June 9, 2023. You do not have to be a member of the Garden Club to attend. If you wish to take the tour, please contact Joan Basile at (803) 645-1246.
