NEW PLAYER CLINIC

EVERY FRIDAY AND SATURDAY
LEARN TO PLAY PICKLEBALL IN 90 MINUTES!

2ND WOMEN'S 2.0-3.0 FOR-FUN LEAGUE 11:00 AM SATURDAY MORNINGS

Starting Friday, October 20, starting at 9:00 AM. THE NET will be hosting a woman's league for players in the NEW/NOVICE/LOWER INTERMEDIATE levels.

The roster filled up so quickly (3-days) that I thought I would open another roster for SATURDAYS at 11:00AM after the normally scheduled new player clinics.

This will be a non-competitive league designed to help players grow in their confidence and skill set. Coach Ben will be on site to give tips along the way.

COST: \$35 for the entire 10-week league. This is a deal that can't be beat. Space is limited to 24 players so call early.

Call 803-221-8869 for more information.

Final Friday Meet-n-Greet Social (6:00 PM) Join us for a casual afternoon of mingling and pickleball chatter. Meet Coach Ben and find out what this crazy sport is all about.

Teamwork Drills (\$25/Player) Ever been in that situation where you and your partner just couldn't seem to communicate while chasing that crazy yellow ball around the court? Try taking a 4-person Teamwork Clinic at The NET. It's a great way to learn easy communication and strategies to take you and your teammate to the next level. Give it a try before your next tournament. You won't regret it.

Coach Ben Lacy: A name synonymous

with pickleball excellence, Ben Lacy brings his expertise and passion to Houndslake. As a nationally certified professional coach, professional referee, and former USAP ambassador, Ben is committed to helping players of all levels improve their game.

WHAT'S THE CALL, REF???

Be the first player to call me with the correct ruling on the following scenario and get 50% off any REGULAR lesson fee (see FEE table).

SCENARIO: During a double's game, (A&B vs. C&D) both teams are playing a heated rally at the non-volley zone (kitchen). Player C hits an errant high volley that should be an easy 'winner' for their opponents. With the ball sailing lazily between Players A and B, both A and B swing at the ball and their paddles collide. Player A actually hits the ball and smashes it back over the net for a clear winner, but the paddle for Player B (who clearly did NOT hit the ball) falls out of her hand and into the non-volley zone. WHAT'S THE CALL?
