# HOUNDSLAKE MEN'S GOLF ASSOCIATION

I want to start by thanking Steve Floyd for his efforts as our Interim General Manager. His leadership and friendship have meant the world to me over the past couple of years. Being able to work alongside Steve to improve member benefits during these exciting and challenging times has made me a better owner and operator.

So much of my 10 years at Houndslake has been spent on circumstances and events that we could not have foreseen. We definitely cannot predict what will happen over the next few years, but if the past is any indication, we should expect the unexpected. The great thing is that unexpected situations give us the opportunity to work as a team, adhere to the club's values, strengthen our position as a club, and most importantly, use that position to improve the lives of the entire Houndslake community. With this mindset, we are more determined than ever to improve our services and facilities. Much action and many improvements have taken place, and many more will continue throughout this year.

Some of these improvements include the replacement of the roof and bunker renovations to improve the overall appearance and playability of the golf course. This bunker work improves sight lines and edge definition while reducing washout erosion. We are also in the process of establishing a Houndslake Men's Golf Association (HMGA).

The purpose of the HMGA will be to promote camaraderie among our members and honor the true spirit of the game of golf. Please be on the lookout for more information on how to participate in the HMGA. As you may imagine, a significant amount of our marketing measures is designed to attract more golfers during the week of the Masters Tournament. We are encouraged by the early results of our efforts. We are also more committed to improving the club each and every day. We really mean it when we say we want to deliver better value and quality than our members come to expect.

-Daniel Seawell

## Club Member Benefit

## NEIGHBORHOOD NEWS

Show your heart some love!!  
February is American Heart Month!!

Heart disease is the leading cause of death in the United States, it kills nearly 800,000 Americans each year. Take some time this February to do something good for your heart. Visit the American Heart Association's website for more information.

Join the HNA on Friday, February 3rd and wear red! February 3rd is National Wear Red Day to promote awareness of heart health, so wear something red and take a photo. Share your "wearing red" photos with us on our HNA Facebook page.

To get some exercise, take a walk over to the "Laurel" golf course to see the new bridge. The DOT has completed the extended golf cart tunnel running under Hitchcock parkway and has installed a wonderful wooden bridge to access the Laurel course from Houndslake Dr.

Happy Heart Month from the HNA!

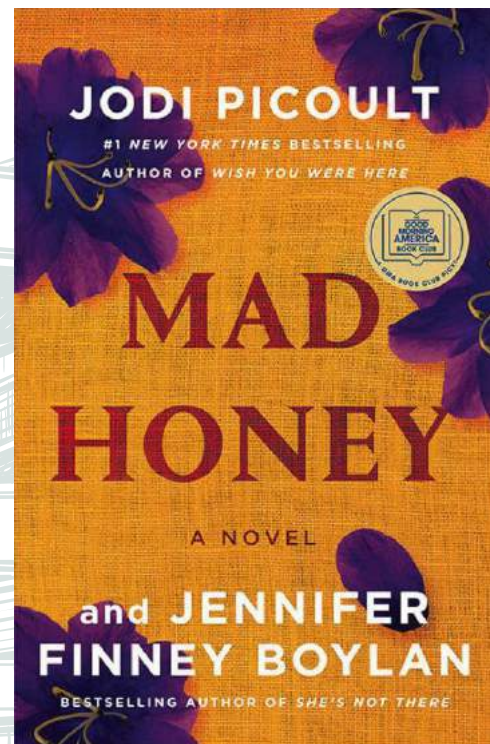

# GARDEN CLUB

The Houndslake Garden Club met on January 20, 2023, at the clubhouse. Our Speaker was unable to come so we planted Freesia, Ixia, Dutch Iris, Ranunculus, and Tritelia bulbs in small pots to take home.

Our next meeting will be held on February 17, 2023, at 10:30 am at the clubhouse. Our Speaker will be Vicky Bertagnolli from Clemson Extension Services. She will be talking about how to plant and care for the different varieties of Hydrangeas.

## BOOK CLUB

The Book club will meet Thursday  
February 23<sup>rd</sup> 11:30am  
to discuss our book of the  
month for February  
Mad Honey By Jodi Picoult & Jennifer  
Finny Boylan
