April at Houndslake Country Club

-Spring Returns

April brings with it one of the most beautiful times of the year at Houndslake.

As the days grow longer and warmer, the Club naturally begins to shift outdoors again. Members will notice the grounds coming to life – from the vibrant azaleas that line the course to the fresh energy that arrives with spring across the entire property.

March was a busy and memorable month for the Club. A full calendar of events kept the clubhouse buzzing, with everything from Lecture Dinners and celebrations to golf fundraisers and gatherings that brought members and guests together. It has been wonderful to see the Club so active as we welcomed the new season.

As we move into April, many of our favorite traditions return. Easter is just around the corner, and with the excitement of the Masters tournament in our community, we are also looking forward to another running of our annual Master's Splash Tournament – always a highlight of the spring calendar.

Spring also reminds us that there is so much to enjoy around the Club beyond the fairways. With the warmer weather returning, members can once again take advantage of the many outdoor amenities that make Houndslake special – from pickleball and tennis to croquet and bocce, perfect ways to gather with friends and enjoy time outside.

Pool season is just around the corner as well. If you have friends or neighbors who might enjoy being part of the Club this summer, our Splash Membership is a wonderful way to introduce them to everything Houndslake has to offer. As always, the most meaningful way our community grows is through the recommendations of our members.

With blooming azaleas, longer days, and a full season ahead, April reminds us why this is such a special place to gather.

We look forward to seeing everyone enjoying the Club in the beautiful weeks ahead.
