*This is the life mission of those who desire to call themselves Links Players
and honor Jesus in the way they live.*

LOVE GOD AND OTHERS

This is the Great Commandment, set forth by Jesus in Matthew 22:37-39:
"Jesus replied, 'Love the Lord your God with all your heart and with all
your soul and with all your mind.' This is the first and greatest command-
ment. The second is like it: 'Love your neighbor as yourself.'"

INTEGRATE CHRIST'S REIGN AND INTEGRITY INTO ALL OF LIFE

This is the commitment to kingdom living in all we do, as taught by Jesus in
the Sermon on the Mount: "But seek first his kingdom and his righteousness,
and all these things will be given to you as well" (Matthew 6:33).

NETWORK FRIENDS TOGETHER IN CHRIST

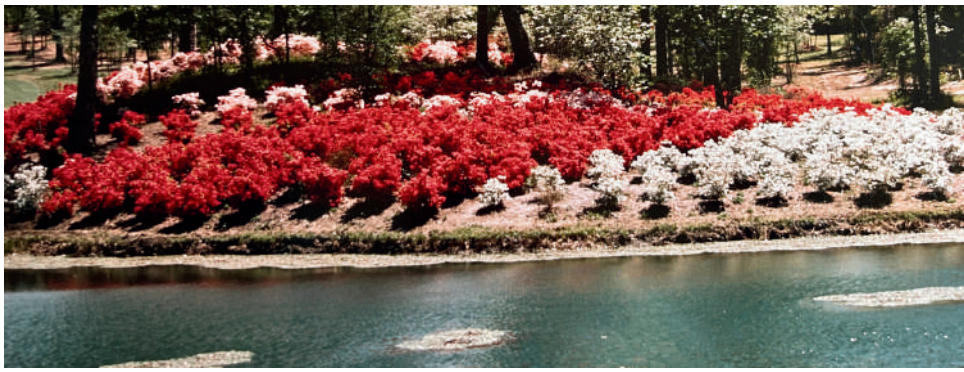

This is the commitment to regularly gather with fellow believers with the
things of Christ at the forefront, following the example of the earliest
disciples: "They devoted themselves to the apostles' teaching and to the
fellowship, to the breaking of bread and to prayer" (Acts 2:42).

KINDLE COMPASSION FOR THE POOR AND NEEDY

This is the commitment to reaching beyond ourselves with our time, talent,
and treasure, according to Paul's words to Timothy: "Command those who
are rich in this world to do good, to be rich in good deeds, and to be
generous and willing to share" (1 Timothy 6:18).

SHARE CHRIST THROUGH THE GREAT GAME OF GOLF

This is the Great Commission, spreading the Good News of Jesus in our
sphere of influence, for "we are Christ's ambassadors, as though God
were making his appeal through us" (2 Corinthians 5:20).

THE BEAUTY OF HOUNDSLAKE

Did you know how and why our golf course once featured 50,000 azaleas plus dogwoods, camellias, hollies, and more?

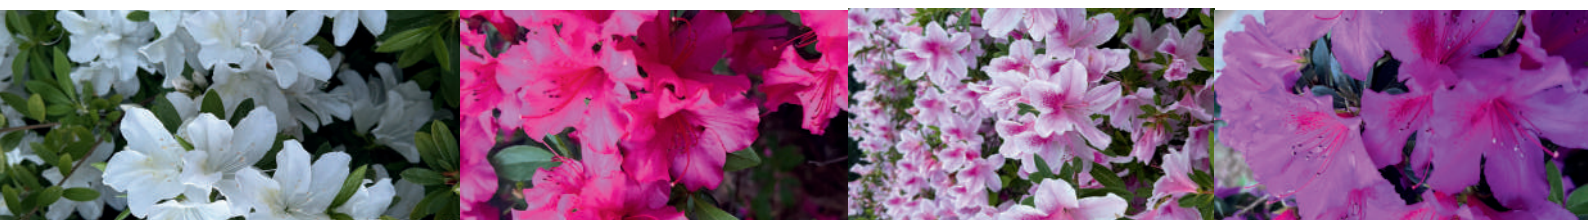

As a nature lover, Bob Penland's goal was for Houndslake Country Club to be not only beautiful but colorful. He made some inquiries with other golf course developers about how much it might cost to properly landscape the course. He was told that to do it right, he would need to invest approximately \$50,000.

Before the original 18 holes were constructed, 50+ years ago, Bob hired a key employee, J.M. Fulmer as Houndslake's Greens Superintendent. Mr. Fulmer and his brother, Bob, owned and operated a nursery and had a retail store, "Fulmer's Nursery", adjacent to his brothers' grocery store on Charleston Street.

After J.M. accepted the position, he went to Bob to let him know he had a problem. He was growing azaleas and many other plants in pots, but they were located on a tract of land that was owned by someone else. Bob suggested they ride to this property to look at the plants. J.M. showed him some 50,000 azaleas in pots plus many more plantings. Bob asked him about the cost for everything, and J.M. said he was not sure how to put a price on them. Penland asked, "How about \$50,000"? J. M. readily agreed.

So, all these plants that the Fulmers had grown and nurtured, were then lovingly transported and transplanted onto Houndslake's fairways and greens. The pond bank across from Dogwood #7 and #8 served as the staging area for the potted plants, and there was a greenhouse on site. This area is now part of Peggy Penland's development, Reflections at Houndslake.

- **BE A PHOTO BUG!** Please take photographs of any blooming azaleas near your home, on and around the golf course. This way, the azaleas which have perished can be replaced with appropriate varieties/colors.
- Let's kick off a community campaign to bring back the color! Our 50th Anniversary is the ideal time to replace these azaleas. Late Spring or early Fall are the seasons recommended for planting. If proper irrigation is not in place Autumn would be preferable. If residents on and off the golf course contribute azalea plants we can make this happen in October 2024, just in time for Houndslake's Founder's Golf Ball.
