

OCTOBER AT HOUNDSLAKE

POST HELENE, OCTOBER 2024 1/2 NEWSLETTER

Dear Houndslake Country Club Family,

In the wake of Hurricane Helene we were unable to get a newsletter out to you at the usual time due to lack of internet and having to make some unexpected changes to our event schedules and plans. We considered just waiting until November but quickly realized that many of our members rely on The Horn to plan their dining and their social activities for the month. We decided a simple mid-month “half” newsletter was better than nothing! As you know, there have been a lot of changes as of late and we would like you to know that we have heard everything you have been kind enough to share with us . We appreciate your patience as we work to bring back the consistency and level of service you have come to expect and deserve from us.

Good things are coming and we are very excited!

*We
thank
you!*

In the aftermath of Hurricane Helene, there is a lot of recovery for the Houndslake Community. We want you to know that we appreciate all of your efforts to assist with clean up and thank the many people that reached out to let us know of the trees, branches and debris on the roadways, on our golf course, and in your yards. We have heard each of your reports and we want you to know that we have crews working as fast as possible. This clean-up will not happen over night, as it is extensive! We very much appreciate your continued **PATIENCE** with us as we work to recover.

C L O W

It's that time of year again! It only happens twice a year so do not miss the last chance of 2024!
