# *A Letter from the Owner*

Dear Members,

As we move into the final stretch of summer, I want to thank each of you for your continued support and participation. The energy and activity around the Club have been incredible, and it's because of you that Houndslake continues to thrive as Aiken's premier hometown resort club.

We've got an exciting August and early Fall lineup ahead, and I encourage you to get involved:

Sign-ups are open for the 2025 Men's Partnership Tournament (Member-Member or Member-Guest), scheduled for August 15-17. This is always a highlight of the year—make sure you secure your spot!

Our annual Club Championship will be held September 20-21. Whether you're playing to win or just enjoying the camaraderie, we hope to see you there.

The Ladies "Let's Play Golf" Program returns on Thursday, August 14. This initiative is designed to grow the game by creating a welcoming, low-pressure environment for women to learn, connect, and gain confidence on the course.

We're gearing up for another impactful PGA HOPE Aiken session this Fall. It's an honor to serve our veterans through golf, helping them find healing, joy, and community on the course.

Mark your calendars for Saturday, August 16, for our next Special Dining Event: A Low Country Boil. Great food, music, and community—it's one of our favorite nights of the summer.

The golf course is in fantastic condition, and we have several exciting projects and improvements planned that will elevate the experience even more.

Please continue supporting our Ladies' Nights and Sunday Brunches—these events truly showcase the value of membership and bring our community closer together. We're proud to say that Houndslake is only getting better and more determined in every area.

Big news on the Pickleball front—we are building six new courts with fencing and lighting, while also refurbishing our existing ones. This major investment will add significant value to our Club and offer even more ways to stay active and social.

With golf, tennis, pickleball, swimming, fitness, dining, social events, and more, Houndslake continues to stand apart with an unmatched variety of amenities. We're not just a club—we're a community. And your involvement, enthusiasm, and membership are at the heart of it all.

Let's keep growing together. Speak positively about your Club, invite your friends and neighbors to join, and continue making Houndslake the friendliest club in the Southeast.

With gratitude and excitement,

Daniel Seawell
