LETTER FROM THE OWNER

October is one of the best times of year at Houndslake. Cooler mornings, comfortable afternoons and plenty happening around the Club make it a great month to get outside, play a round, enjoy a meal or simply spend a little more time with friends and neighbors.

As we head into fall, we're continuing to look for ways to make Houndslake a place where there's always a reason to visit. That means investing in the experiences our members already love while introducing new events, activities and traditions that bring more people together.

You'll see plenty of that spirit throughout October. Whether you're here for golf, dinner, or an event, we hope you'll take advantage of everything happening this month, and bring the family along.

Most importantly, thank your continued support. Houndslake has always been shaped by the people who call it theirs.

Daniel Seawell

Course Notes

Fall is settling in at Houndslake, but there's still plenty happening out on the course. Our grounds crew continues to wok on seasonal maintenance while keeping playing conditions ready for a busy calendar of member play, tournaments and outings.

As temperatures begin to cool, you'll notice the course making its seasonal transition. The team is focused on turf health, leaf management and the day-to-day details that keep the course looking and playing its best through the fall.

Thank you to our members and guests for doing your part, too. Repairing ball marks, filling divots and following cart signage go a long way toward helping us care for the course we all enjoy.
