“ Providing HOPE”

Houndslake just completed a six week Golf program called PGA Hope on July 20. what is PGA Hope (helping our patriots everywhere)? PGA Hope is the flagship military program of PGA reach, the charitable foundation of the PGA of America. PGA introduces golf to veterans and active duty military to enhance their physical, mental, social and emotional well-being.

The program introduces the game of golf through a developmental six week curriculum led by PGA Hope Aiken lead instructor, Daniel Seawell. the program is free to all veterans.

PGA has a memorandum of understanding with the United States department of veterans affairs, which enables direct referrals to the PGA Hope program as a form of therapy.

The mission is to use golf as a rehabilitative tool to help veterans and active duty service members overcome life, adversities and improve their physical, mental, emotional and social well-being. The purpose is to: create a safe environment for PGA participants and establish relationships of trust with PGA of America Golf professionals in Aiken, have fun and encourage a culture of camaraderie, build a community of veterans and service members who enjoy golf together, teach the basics of golf, including etiquette and course management, and then power PGA participants to feel confident playing golf on their own after the program.

Houndslake Country Club is proud To host this program, impact the lives of our veterans, and honor those servicemen who have sacrificed for our country.

The following is a list of our PGA Hope graduates:

Andrea Crabtree

Lewis Parker

Tony Diaz

Scott Cambers

Josuan Rodriguez

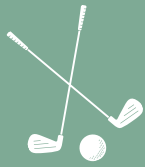

James Collins

Steve Quarles

Derik Still

Anthony Young

Houndslake will host another six week program beginning in September.
